**HOTEL OF THE MONTH**

Situated smack bang in the middle of Singapore's coolest restaurant, bar and shopping strip, the InterContinental Robertson Quay is a waterfront oasis.

**Key highlights:**

- The bed has seven pillows
- Morning yoga by the pool
- Access to an exclusive members-only club right next door
- Breakfast at Publico Deli, a cute cafe connected to the hotel
- Publico Ristorante and Marcello cocktail bar for dinner and drinks

When the mercury drops, the bedroom beckons. Turn yours into a hibernation haven with one of these Moroccan blankets.

From \$360 each, barefootgypsy.com.au.

Surely there's nothing more luxurious than a limited edition linen and cotton woven bath towel, \$259, by Loom. Sigh! Visit loomtowels.com.

**THE PLACE TO BE**

The rooftop at Barangaroo House – aptly named Smoke – is red-hot thanks to the sophisticated bar menu. Our pick? Doughnuts & pearls, which head chef Cory Campbell calls “a fun play on smoked salmon blinis”. It's basically smoked Yarra Valley Caviar, spooned over Pepe Saya Crème Fraîche and served with fresh doughnuts, or, in Campbell's words, “perfect little bursts of flavour”.

**BRING IT ON**

Pom-pom details have migrated from the autumn 2018 runway to high street homewares. Step up your living room game with a cheap and cheerful cushion cover.
